

IAIABC 2020 NextGen Awards: Nominee Information

SAMPLE NOMINATION

Special Projects: NOMINEE has worked on several notable projects and programs for the ORGANIZATION. Most recently, his hard work and dedication resulted in new system innovations that have been developed to support ORGANIZATION's PROJECT. He has been instrumental in the design of not only the infrastructure for the system processes supporting the PROJECT, but has also made significant personal investment employing a holistic thought process to ensure new system features and functionality provided support for the new schedule and department that is scalable as knowledge surrounding impacts from the schedules increases. He developed a PROJECT look-up tool that consolidates independent components into a single platform that provides stakeholders and staff with a user friendly search application promoting access to fee schedule data. While working on the PROJECT, NOMINEE was also working on revamping our internal payments tab and variance process. He worked with multiple stakeholders to create the requirements to simplify the process and the accuracy of notices generated. Prior to this work, he singlehandedly designed an awards calculator to assist stakeholders in determining appropriate awards and fees in a simplistic manner and worked with our team to capture and produce requirements for a self-service application for medical providers to check the status of claims, reducing the number of calls, emails & faxes for the same information, while also improving service to the public on very complex calculations.

Impact on Organization: NOMINEE presents himself and his work product embodying the seven core values of the ORGANIZATION. He is accountable when requested to work on assigned projects. He is effective in developing solutions. He is impartial and takes into consideration all stakeholder impacts. He is innovative as exhibited in the outcome of the projects completed. His integrity is expressed in his hard work and dedication. He is reliable to produce solid results. Regardless of the complexity, he is respectful in actions taken to engage dialogue with stakeholders obtaining whatever information is needed to inform his knowledge in developing efficient and effective solutions.

Professional Activities: NOMINEE has been selected to present at the CONFERENCE where millennials are provided a platform to showcase innovations. NOMINEE will be featured for his most recent work on the PROJECT.

Designations: None

Other Comments: It is with great pleasure that I nominate NOMINEE for the IAIABC NextGen Award. As you can see from NOMINEE's work products, he is a valued and respected member of the team who continues to challenge herself with every project he commits to. He fully understands the importance of communicating to our stakeholders while delivering meaningful and focused messages pertaining to the ORGANIZATION's brand. As one of people who has seen NOMINEE's impact, I strongly urge you to award him the IAIABC NextGen Award.
